

**Donors and honorees will be the first to view
a pre-recorded, online version of
Hearts of Hope
Tree Lighting Ceremony
on February 11, 2021!**

A crimson light twinkles and another life is saved!

For a \$5 donation, honor a special person in your life with a gift that will help fund vitally needed trials and studies for heart disease, right here, close to home. For a \$15 donation, we will also send your honoree a Hearts of Hope lapel pin.

Honorees receive a card informing them that a light shines in their honor or in memory of someone who fills our hearts with love and joy. Additional donation forms are available by visiting comhs.org/heartsofhope

Donors and honorees will be the first to access an online link to a pre-recorded Hearts of Hope ceremony on or after Thursday, February 11, 2021. This year's online version of the traditional in-person event was planned in consideration of the health and safety of the participants.
