

Commission on Accreditation of Allied Health Programs

In January 2015, CAAHEP made a change to Standard V.A.4 in the accreditation standards for all professions. All programs must now publish the three year review window average results of the outcomes of the following: National Registry Written and Practical Exam as well as Retention and Positive Placement. In compliance with this standard, please find the data for the St. Mary Medical Center EMS Training Academy:

	<u>National Registry Written</u>	<u>National Registry Practical</u>
2022	100 Percent	100 Percent
2023	92 Percent	100 Percent
2024	78 Percent	100 Percent
	<u>Retention</u>	<u>Positive Placement</u>
2022	89 Percent	100 Percent
2023	100 Percent	100 Percent
